

Energy Independence: Real World Solutions for Homes and Business

Saturday May 3, 2003 - 8AM to 5 PM
Westchester County Center, White Plains

This conference will feature two separate tracks: one for Residential building and one for Commercial, Municipal and Institutional building energy saving features:

Gigawatt Sponsor:
Con Edison

Megawatt Sponsor:
NYSERDA

Kilowatt Sponsor:
Community Energy

- How home owners and building owners have **reduced** their **energy** demand and their electricity bill by as much as 50%
- What an **energy audit** for homes and feasibility study for buildings involves and how to get one
- **Funding sources** for energy saving technology
- **Solar and geothermal** applications for homes and buildings
- What is an **Energy Star** home and how you can have one
- Hear about Westchester's green buildings: 123 Main Street in White Plains, the Burnham Building in Irvington, the planned Rockefeller Estate stone barns and more!
- **All Day Trade Show:** - See products and meet service providers.
